Sir:

Enclosed herewith is an executed Declaration and Power of Attorney for the above-identified national phase patent application.

A Missing Parts Notice has not been issued in this case; however, as we have been informed (by the U.S. Patent Office handling national phase patent applications) that Missing Parts Notices are backlogged by approximately one year, we are filing the Declaration and Power of Attorney on the advice of the U.S. Patent Office.

Also enclosed is a Supplemental Application Data Sheet correcting the title, suggested drawing figure, total figures, and two of the inventors' residence.

Dated: October 23, 2006
